The Audit caused by the Operator shall be scheduled in such a manner that there is a gap of at-least six (6) months between the Audits of two consecutive calendar years. Further, there should not be a gap of more than eighteen (18) months between Audits of two consecutive calendar years. Provided that nothing stated herein above amounts to waiver by the Broadcaster of its right to deactivate the signals of its Channels as per Applicable Law, if such Audit reveals that the addressable system being used by the Operator does not meet the requirements specified in the Telecommunications (Broadcasting & Cable) Services Interconnection (Addressable Systems) Regulations, 2017 and the Telecommunications (Broadcasting & Cable) Services Digital (Addressable Systems) Audit Manual dated 8th November 2019 (“**Audit Manual**”) (as may be amended from time to time).
